HELD ON CHARGE OF MANSLAUGHTER IS KENTUCKY MAN

Straight of Clyde Edgington's Drowning Reaches Maysville—Delvin Now In West Union Jail.

James Delvin, who lives in Kentucky near South Manchester, is in the Adams county jail at West Union, Ohio, awaiting trial on a charge of involuntary manslaughter in connection with the drowning near Manchester Sunday afternoon of Clyde Edgington, aged 14, a member of one of the most prominent Adams county families.

Information reaching Maysville today from an authoritative source is that Edgington and a number of other boys were riding in a row boat in Brush Creek near Manchester. The boat evidently belonged to James Delvin, of Kentucky, for he is said to have threatened to club the boys when they came ashore for having taken the boat away from shore. The boys are said to have been afraid to row back to shore and they all jumped overboard into the creek with their clothing on. All of the boys were able to reach land except young Edgington, who sank and was drowned.

Delvin assisted to locate the body and take it from the creek but was immediately placed under arrest. At the coroner's inquest, he was held for further court investigation.

Reports from the Manchester neighborhood this morning were to the effect that feeling was running high against Delvin as young Edgington was a neighborhood favorite and one of the finest young men in the community.

BAND LEARNS SEVERAL NEW PIECES OF MUSIC

There was a full attendance of the members of the Maysville Boys' Band at practice Monday evening and at the close of the practice period the boys were measured for their uniforms which will be made and delivered at once. The band is learning several new pieces for their Market street concerts.

MATT HENNESSEY QUARANTINED

The many local friends will be sorry to learn that four of Hon. M. J. Hennessey's children are suffering from the mild smallpox at Augusta and that he and his family are quarantined at present. None of the children are very ill and their speedy recovery is expected.

MAYSVILLE MAN IS THE FIRST TO MAKE DONATION

Mr. W. W. Wikoff is First Mason to Pay Part on Masonic Home Fund.

This week's issue of the Masonic Home Journal, of Louisville, contains a fine likeness of Mr. W. W. Wikoff, C. & O. ticket agent, and beneath the picture is the following:

This is Brother W. W. Wikoff, of Maysville, Ky., who read in the Masonic Home Journal of the Million-Dollar move, and sent his check to the editor of the Journal by return mail, with the explanation that he was in. We published the letter in our last issue, and it explains itself as to the date of this subscription. This was the first one, so far as we know, to come on in with his part.

Brother Wikoff is a Past Master of his Blue Lodge, Past High Priest in his Chapter and Past Eminent Commander of his Commandery, all of Maysville. He is also a Shriner, having taken the degrees in Kosair Temple many years ago. He is now, and has been for many years, the freight and ticket agent at Maysville, and is a good business man. It is hoped that before long Brother Wikoff may come to Louisville and witness the laying of the corner-stone to the new buildings.

NOTICE TO OUR PATRONS

We have arranged with an expert monogramist for the convenience of our patrons to engrave your sets of Wm. Rogers and 1847 Roger Bros. Silver at very reduced terms. We issue a written guarantee with all of these sets.

Get your Comforts and Blankets now. We have a two weeks sale on these articles which price is far below what they will cost by September.

STROLLERS WILL PRESENT PLAY IN MAYSVILLE

The Strollers dramatic organization, of the University, will repeat their play, "Under Cover," in the Maysville Opera House June 19. Three members of the cast, Carlisle Chennault, Margaret Smith and Duane Rogers, are from Maysville, and the invitation to present the show there was favorably regarded. Rehearsals on the play will be held at the University this week.—Lexington Herald.

Look in our show window at wonderful cheap Wall Paper 6c and 10c per roll at J. T. KACKLEY & CO. 9-31

Councilman W. R. Smith is in Cincinnati today on business.

ROAD MEETINGS HELD ON MONDAY PROVE SUCCESSFUL

Interesting Meetings Held in Various Precincts of County Monday Night—More On Tuesday.

The members of the speaking parties sent out to the different precincts to talk with the men of the county regarding the Road Tax election and explain the reasons for calling such an election report that they received an excellent hearing and the prospect for carrying the election is very favorable.

One of the chief arguments that is being met is that is that the time is inopportune. Some of the citizens felt that the work should be postponed but when their attention was called to the fact that there is more money in the county than in many months and times more prosperous than in some years back, they expressed themselves as being in favor of it. Other points were brought out on this subject such as means increased expenditure later; the sooner roads are improved the sooner citizens of Mason county can enjoy them; making improvements will give work to returning soldiers and the heavy traffic is increasing the wear in greater proportions that the funds are becoming available.

Mr. Holton Key in his remarks to the men of the Lewisburg neighborhood that had gathered at the Lee store, stated that last year less than two thousand dollars had been available to spend on the Fleming pike but if the tax carried they will be able to spend about \$6,000 on it this year. Mr. Key assured them that it was not the intention of the Fiscal Court to spend all the money derived from the additional tax, on the Lexington pike but that they would secure the additional amount to their road fund derived by the tax in their precinct.

Mr. William Rees talked to the men of Helena precinct and reported that the majority of the men at that meeting felt that there was an urgent need for more funds for the repair and maintenance of the pikes and bridges of the county and were in favor of the road tax.

Messrs. S. F. Reed and A. L. Glascock report that they had a very successful meeting at Mayslick, their meeting being more in the nature of a personal interview and discussion with some of the citizens of Mayslick.

Mr. Reed says that he was glad that he went to Mayslick as some of the men were under the impression that the tax was a 20 per cent. tax and would create an additional fund of \$100,000 which they were not in favor of doing. He explained to them that it was a twenty-cent tax and would only create an additional fund of \$40,000 also that it would only mean a tax of \$2 on each \$1000 for a period of three years.

Judge Purnell claims one of the best and most enthusiastic meetings and gives much credit to Mr. Hopkins of the Sardis school for an attendance of almost sixty people.

Judge Purnell spoke quite at length stating the facts regarding the need of the additional tax and explaining the plan of the Fiscal Court in spending the additional funds. He took much time answering some of the arguments that have been going the round in the county and concluded by showing the men of the Sardis neighborhood what benefits the precinct would derive by voting YES at the polls Saturday.

From every neighborhood the tax is growing in favor with the citizens as it is being satisfactorily explained. No one seems to doubt the ability of the present members of the Fiscal Court and are willing to continue to trust their business management of the affairs of the County. The majority of the men feel that the county made no mistake in selecting the men that constitute the present Fiscal Court.

The following men will talk tonight with the men of the precincts to which they have been assigned.

Germantown—A. L. Glascock, Geo. Frank, Houston Hall.
Pearneleaf—William Rees, E. T. Kirk.
Minerva—S. F. Reed.
Dover—W. W. Ball, W. H. Key, Carl Dodds.

MADGE KENNEDY IN "THE KINGDOM OF YOUTH"

A wonderful picture will be shown at the Pastime tomorrow, Wednesday, June 11, when the artistic adorable Madge Kennedy will appear in a Goldwyn super-production "The Kingdom of Youth" in which two's com-happened when dreams come true. A story of a never-ending honeymoon. Remember it's a "Goldwyn picture."

Miss Marie Emral of Connersville, Ind., has returned home after a visit to Mrs. B. E. McClure of East Second street.

COMMENCEMENT OF EIGHTH GRADE TO BE HELD WEDNESDAY

Annual Eighth Grade Graduation Exercises To Be Held Wednesday Afternoon—Also Inspection Day.

Wednesday will be a big day at the High School for besides it being regular Graduation Day for the grade pupils who will enter High School, it will be inspection day at the High School building and a very interesting time is promised. Work of the school will be displayed and a very interesting display is being arranged by the Manual Training Department.

The program of the Eighth Grade Commencement which will be held at 2 o'clock follows:

Processional—Elizabeth Calvert. Tyrolenne Folk Song—Class. Invocation—Rev. A. F. Stahl. Allied Flag Drill—Sixteen Boys and Girls.

At the Peace Table.

Saxophone Trio—Herman Clark, J. B. Glascock, Nancye Glascock.

The Story of a Come-Back—Elizabeth Bullock.

Jean Desprez—Mary Donald.

The Bivouac of the Dead—Brent Wood.

Violin Solo—Mary Woodson Taulbee, accompanied by Jennie Blythe.

Debate: Resolved, The United States Should Enter the League of Nations. Affirmative: Nancy Glascock, Church Matthews; Negative: Homer Cablish, Elizabeth Franklin.

When The Boys Come Home—Eighth Grade Girls.

Ma and the Auto—Wannie Hall.

The Tale of the Tobacco Worm—Harriet Glascock.

What One American Did—Beulah Lykins.

The American's Creed—Clifford Bierley.

Presentation of Certificates—W. T. Berry, Principal Forest Avenue School.

America's Message—Class.

The Eighth Grade graduates follow:

Clifford Bierley, Jennie E. Blythe, Louis S. Bower, James Bradford, Elizabeth Brady, Newell Breeze, Elizabeth Bullock, Cathern Cablish, Homer C. Cablish, Henry Candy, Herman Clark, Robert A. Cook, Harry Davis, Mary L. Donald, Eloise W. Dunbar, Elizabeth C. Franklin, Harriet B. Glascock, J. B. Glascock, Nancye R. Glascock, Ethel Gropenbacher, Wannie Hall, Blanche Hancock, Dorothy Hancock, George Haney, Samuel D. Harover, George Hefflin, Martha Holiday, Eugene D. Jones, Ruth Kehoe, James N. Kirk, Dorothy H. Knox, Phoebe H. Kuhn, Beulah Lykins, Eugene W. Lynch, Church M. Matthews, Jean Merz, Minnie Miller, Powell Owens, Susie Lee Pickett, Orville Rains, Hattie Selsor, Cora Smithers, Thomas Stevenson, Mary Woodson Taulbee, Manord Tolle, Hazel Welch, J. Brent Wood.

We will open our Stemmery on Thursday morning, June 12, at 7 a. m. R. J. REYNOLDS TOBACCO CO.

Mr. and Mrs. B. E. McClure were in Cincinnati Saturday on business.

MT. CARMEL MAN FALLS DEAD DRIVING A TOBACCO SETTER

P. J. Byron, Prominent Mt. Carmel Merchant, Dies Suddenly While Setting Tobacco Near Noon Today.

Mr. P. J. Byron, aged 65 years, well known merchant at Mt. Carmel, Fleming county, died while working in the field at the Joe Wallingford farm one mile East of Mt. Carmel between Mt. Carmel and Foxport at about 11 o'clock this morning.

Mr. Byron was driving a tobacco setter and suddenly stopped the horses. The horses had just come to a stop when he fell from his seat on to the ground. The young men who were handling the plants on the setter, went to him and found that he was seriously ill. They rushed to Mt. Carmel horse back to get medical aid but when the physician arrived Mr. Byron had died of heart failure.

Mr. Byron and his son operated the Foxworthy general merchandise store in Mt. Carmel and the aged man was assisting a son who was putting out a crop on the Wallingford farm when he was stricken.

MANY ATTEND COLORED GRADE COMMENCEMENT

The annual Eighth Grade closing exercises were held at the County Court House Monday evening and the Court House was well filled with friends and relatives of the graduates. The program rendered by the graduates was quite interesting and greatly enjoyed by the large audience.

MASONS HAVE GREAT MEETING

The lodge of Masons had a great meeting at Masonic Temple Monday evening. The M. M. degree was conferred on two candidates and following the initiation Host Charles Rohmiller served a lunch that today is the talk of the town.

Mrs. W. G. Lewis and daughter, Miss Annabelle, who have been for the past several months in New York City, have left that city for the summer. The former is with kinpeople at Charlestown, W. Va., in the Shenandoah Valley and the latter is at Ogunquit, Maine.

We will open our Stemmery on Thursday morning, June 12, at 7 a. m. R. J. REYNOLDS TOBACCO CO.

Mr. and Mrs. B. E. McClure were in Cincinnati Saturday on business.

REYNOLDS STEMMERY WILL OPEN THURSDAY

Working Men of Maysville and Vicinity Will Be Given Employment at Factory to Open on Thursday.

When it was announced that the American Tobacco Company would not operate its stemmery in Maysville this year, the working class of people in Maysville who had been depending on this plant for summer work, feared they would be compelled to seek work elsewhere but when it was announced that the Reynolds Company would operate a stemmery here this year there was great rejoicing and the summer labor problem for this class of laborers was solved.

The local managers of the Reynolds Company announce today that they will open their plant on Thursday of this week—June 12th—giving employment to many men, women and children of legal work age.

The dam is expected to give employment to a large number of men with skill and the Reynolds plant will give employment to the unskilled class. Working conditions in this new plant will be first class in every respect and women and children will be able to make a good salary at light work.

The new plant is fully equipped with the best of modern equipment and the welfare and health of the workmen has been considered in its erection and equipment.

LITTLE FOR COUNCIL TO DO TONIGHT

City Council will meet in adjourned session at the Council Chamber this evening. This meeting was expected to be a very important one when the tax levy for the fiscal year would be made and when the ordinance covering the gas and electricity contract for another year would be adopted. As the committees which have these matters in hand are not ready for reports on them it is not expected that council will have anything to do and an early adjournment is expected.

SEVERAL MORE WENT TO DANVILLE TODAY

Several more Centre College men and women from Mason county went to Danville today to attend the centennial celebration being held there this year. Federal Judge A. M. J. Cochran, of this city, will deliver one of the two Alumni addresses during the celebration.

Mr. and Mrs. Emory Tucker of Forest avenue were the guests of Mr. and Mrs. Ben Umstadt of Ewing, Sunday.

ARMY OFFICER HERE TO SELECT LANDING PLACE FOR AIRSHIP

Lieut. R. J. McMurray, of Camp Knox Flying Field, in Maysville Today—New Landing Field Has Been Selected.

Lieut. R. J. McMurray, of the Aviation Corps, Camp Knox, Louisville, was in Maysville today to look over the proposed landing field at the County infirmary where it was suggested that the army airplane which is expected here on Thursday on a recruiting trip should land.

The Lieutenant, who is an old flyer, looked at the field but a few moments when he announced that the field would not do. It was too small and too rough and a flyer would be taking too many chances to attempt to light there, he said.

This afternoon in company with Mr. N. S. Calhoun, of the Bank of Maysville, Lieut. McMurray and his driver, went to the hill tops where the Lieutenant thought a very good landing could be made and a very good starting field was selected on the Anderson farm and marked.

In talking with the Public Ledger about the flight, Lieut. McMurray said that the plane would most certainly come to Maysville on this trip even if the pilot was afraid to attempt to light on the field selected as all arrangements had been made for the trip and it would be carried out. Recruiting officers will be sent overland in automobiles from Lexington but if the landing can be made properly the plane will be kept here for the balance of the week and daily flights will be made.

Plans now are for the plane to come over to Lexington from Camp Knox on Wednesday and fly down to Maysville from Lexington Thursday afternoon remaining here the balance of week and making daily flights over the city. The Lieutenant today said that an old pilot will handle the machine and the people of Maysville will be shown nose dives, tail spins and all the other air circus stunts. Headquarters will be at the Chamber of Commerce.

The form of smallpox which is said to have been raging at Augusta for the past two weeks is said to be so very mild that there are those who question it being smallpox at all. The situation there is said to be well in hand and there is little fear of its further spread.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

PEACE, THERE IS NO PEACE

Scripture must be repeating itself: "Peace, there is no peace". The divine authorities were lax (?) in their contemplation of the future, they overlooked Woodrow Wilson who has brought peace, sweet peace, such as it is, by a collection of strong-arms who say that they will have peace even if they have to fight for it.

But such a peace is not the peace of Biblical reference—that is the peace of the soul. That is peace of the right sort. To gain it one does not sacrifice the good within him, but to drive out the bad.

The Peace League makes no attempt to drive out the bad, only organizes its institutions of force, resorting to coercion, which only maddens, but does not convince. The world will not secure peace by any such foreign effort, for as soon as those coerced think they have sufficient power to restore their accepted rights, they will plunge themselves into battle if necessary to obtain them.

This is why the Sentinel editor is opposed to the present League of Nations. He believes it is but a costly and fruitless effort to obtain something akin to the bag of gold at the end of the rainbow. It is a peace by force. Such a peace is not worth anything to mankind. It reminds one of the old "bully days," when a fellow of the kind swaggered about and carried terror to the hearts of the community, until some brave little man came along, like a David, and hurled a little stone in his crude sling and piled the Goliath up like a thousand of brick. So with the League.

America has nothing to sacrifice. The people will not sacrifice the institutions of Liberty in order to get the promise of a conglomeration of polyglot peoples to behave themselves so long as they are well-fed and well clothed by us. President Wilson nor any other man has the authority to make such an unholy bargain. The congressman who endorses such a departure from the accustomed and revered tenets of our constitution will be defeated and should be ostracized by every American citizen.

Peace, there is no peace.—Wellston (O.) Sentinel.

OUR COLORED CITIZENS

Washington, Ky.—Haven Chapel M. E. Church is preparing a Sunday School centenary program for Sunday, June 15, 1919, at 3 p. m. The pastor, Superintendent and teachers are sparing no pains to make it the biggest children's day ever celebrated in Washington. Everybody is invited to turnout and render their moral support. Haven Chapel M. E. Sunday School under the supervision of the Rev. W. A. Hinton, Lutie L. Moore and the good corps of teachers is growing by leaps both numerically and financially as well socially. The soldiers returning to Washington are an orderly set and we are glad to see them and hope all will be home soon.

as Haven Chapel M. E. Church wants to celebrate their return just as soon after the last one has come home as possible. Our colored Baptist church had a five dollar rally last Sunday and from all reports they had splendid success, both temporally and spiritually.

The colored citizens of Washington need a new school house and we will be glad for County Superintendent to urge this matter as the present capacity of our school building is unsanitary for the number of children required to attend. The safety and health of the teacher. Community will be best guarded by an amplified building.

ARRANGEMENTS
MADE FOR STATE-WIDE
THRIFT CAMPAIGN

Headquarters Opened in Louisville
For Campaign to Organize Thrift
Clubs Over the State.

Louisville, Ky., June 10.—Under the direction of Mr. James B. Brown, State Director, the Savings Division, of the War Loan Organization of the Eighth Federal Reserve District, is being re-organized preparatory for the launching of special state wide campaign for the formation of Savings Societies.

This campaign, which will be an intensive one, will extend to every section of Kentucky. Its object will be to promote thrift and saving among the people of Kentucky. It will be Kentucky's effort to help carry on the nation-wide thrift campaign that has been renewed recently in every corner of the United States.

Acting under authority of the Federal Director, Mr. Brown, has created three departments in State Headquarters, which are located in the Columbia building. The departments are that of Schools; the Department of Women, and Department of Publicity. Mr. Brown has appointed Prof. A. J. Jolly, former assistant to the State Superintendent of Schools, as the head of the Department of Schools. Prof. Jolly is a member of the State Board of Examiners, and is personally known to nearly every school teacher in the State. He is a native of Campbell county.

With Prof. Jolly at the head, a campaign will be started this month to organize a Savings Society in every school room in the State. This effort will be carried to the Sunday school, private school, and every other organization of a similar kind. Prof. Jolly has taken charge of his department and has already begun making plans for the organization of the various Societies whose object will be to promote thrift and saving among the people.

Present plans call for the closest co-operation between the Savings Stamp Division and the Kentucky Educational Association, that meets in Louisville this month, at which the two organizations will get together to push this thrift and savings campaign during the year 1919 in Kentucky.

In announcing the new campaign of the Savings Division, State Director Brown desires to impress upon the people of Kentucky that this is not altogether a patriotic appeal, but one to insure a thrift and a saving future generation.

"We intend to have a Savings Society in every school room, Sunday School and public and private school room in the entire state" said Mr. Brown today. "We also plan to extend the scope of the societies to the lodge rooms, fraternal groups and industrial plants everywhere."

WRIGLEY'S
Is Sealed!

Look for the sealed package, but have an eye out also for the name **WRIGLEY'S**

That name is your protection against inferior imitations. Just as the sealed package is protection against impurity.

The Greatest Name In Goody-Land—

The Flavor Lasts

WRIGLEY'S SPEARMINT
WRIGLEY'S DOUBLEMINT
WRIGLEY'S JUICY FRUIT

"It is Kentucky's chance to take advantage of the offer of the Government in carrying the lesson of thrift to every section of the country" continued Mr. Brown.

"Savings Societies are becoming the vogue. In the three states comprising the Eighth district these Societies are springing up everywhere, and the lessons of thrift and savings they teach are gaining favor daily" said Mr. Brown. "This 1919 campaign, which will be different from that has gone before will be to teach and encourage thrift and savings and not just to raise money for the government. With the waning of the last Victory Loan, the War Savings Stamp is the only government security the citizen can now buy, directly from the Government."

ARMY WORM INVADES
TEXAS; SPREAD LIKELY

Department of Agriculture Tells How to Combat Insect that May Do Much Damage to Crops.

Washington.—The army worm—which gets its name from the fact that it moves in immense hordes, leaving a trail of destruction—has appeared in large numbers in the general vicinity of Ft. Worth and Dallas, Tex. It is busily engaged in destroying the wheat and oats crop in that State, according to reports to the United States Department of Agriculture. Prevailing damp, cool weather favors the development of the army worm and makes likely an invasion of large proportions within the next four to six weeks in many States east of the Rocky Mountains.

The Department of Agriculture urges all farmers in the threatened regions to watch for the pest in its younger stages and be ready with control measures. Meadows, particularly those planted to millet, timothy, and blue grass should be frequently examined during the spring and early summer. If small infestations are discovered the grass or grain should be mowed off and straw should be scattered over the spot and burned, thus destroying the worm. If the insects have become distributed over a large area it should be marked off by stakes and the crops should be sprayed heavily with a mixture of Paris green at the rate of one pound to 50 gallons of water. This solution should not be applied to corn or it will burn it. Instead, two pounds of arsenate of lead powder to 50 gallons of water should be used. Grass or grain sprayed with these poisons should not be fed to live stock.

When the caterpillars are on the march or are starting in on one corner of a field of grain, they may be headed off by plowing a deep furrow directly in their path. Then the insects that have fallen into the furrow may be killed by dragging a log thru it.

A Red Cross food boat distributes medical supplies along the Danube, and carries units of one doctor and two nurses, which go inland to centers where the smallpox epidemic is greatest. American Red Cross physicians are also keeping close touch on the typhus epidemic, which has claimed tens of thousands of lives in Roumania.

Life
Was a
Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

TAKE

CARDUI
The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain. . . ."

"It has now been two years since I took Cardui, and I am still in good health. . . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

WILL BUILD FIRST CLASS NEW BARN

Mr. S. C. Shepherd, progressive Mason county farmer, has just placed an order for a complete new barn equipment. This barn will be one of the most up-to-date barns in the county. It will have equipment for both horses and cattle.

RIVER NEWS

The Chilo was up this morning for Manchester and down this afternoon for Cincinnati.

The Chris Greene was up this afternoon from Cincinnati for Portsmouth.

County Health Officer Rice reports that in the past week there have been nine new cases of smallpox reported to him from Augusta. There were no new cases reported either yesterday or today.

Twenty-four hours after the signing of the armistice the American Red Cross had established relief stations at every point in Bulgaria, Turkey and Macedonia over which the innocent victims of the war were likely to come. The stream of refugees has not yet ceased, and the work of the Red Cross still goes on.

CLASS DAY EXERCISES PROVE VERY INTERESTING

Members of the Senior Class of M. H. Give Fine Program—Many in Attendance.

The annual class day program of the Senior Class of the Maysville High School was given at the High auditorium this afternoon and there were many in attendance. The program as published yesterday in the Public Ledger was carried out and it was a very enjoyable affair.

Class Day is always looked upon as one of the greatest days in Commencement Week, second only to the evening when the grave Seniors receive from the Board of Education, their over-to-be-honored "sheep skins." The program as rendered this afternoon was, as they all are, full of fun for everyone and the underclassmen enjoyed the afternoon as well as the graduates. The Junior class took up on their broad shoulders the heavy load which was laid down by the Seniors who step out of the school life this week in a most graceful manner through their president, William Farley.

Every number on the program was a feature and the Giftoarians distributed things well.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy—is taken internally and acts thru the blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, Etc.

Hall's Family Pills for constipation.

NOTICE ODD FELLOWS

Regular weekly meeting of DeKalb Lodge of Odd Fellows at the hall in Second street this evening at 7:30 o'clock. Work in the initiatory degree.

H. L. WALSH, N. G.

John W. Thompson, Secretary.

Miss Virginia Kemper of Cincinnati, will be the guest of Mr. and Mrs. George Ballou during Commencement.

ROAD COMMISSIONER IN STATEMENT TO COUNTY VOTERS

State Commissioner of Public Roads
Wiley Makes Statement to People
of Mason County on Road
Tax.

Although he was unable to address the voters of Mason county, on the Twenty-Cent Road Tax on last Saturday afternoon, Hon. Rodman Wiley, State Commissioner of Public Roads, has prepared a statement to the voters of the county. It follows:

"On next Saturday, June 14th, an election will be held in your county for the purpose of taking the sense of the voters on the 20c Road Tax.

"Before voting the tax upon themselves, the people naturally want to know if the money is needed and for what purpose it is to be used. If a man has had any business dealings in the last year or so he is thoroughly acquainted with the fact that the price of materials and labor has increased. The road question has not been the exception. Only a short time ago labor was \$1.50 per day, now it is between \$2.50 and \$3.00. Materials in all cases were rather cheap but now they have almost doubled in price, but the road fund of your county has remained practically at a standstill. In other words, the road fund has not increased in the same ratio as labor and materials, so you are allowing your roads to get a great deal worse than they have been in the past.

"Twenty cents on the \$100 is only \$20 on the \$1000 worth of property. To the man who is assessed at \$1000, it would mean that his extra tax would be \$2 which is only the price of two (2) dinners at an average hotel. To the man assessed at \$5000, it would mean that his extra tax would be \$10 which is the price of a barrel of corn, or four (4) bushels of wheat or a fifty (50) pound hog. To the man who is assessed \$10,000, it would mean he must pay \$20 extra tax, which is the price of one, one hundred (100) pound hog or about forty (40) pounds of tobacco, so you can easily see that the tax does not amount to very much money and when you consider the benefits derived, I believe that you will agree with me that they greatly exceed the small outlay in money.

"The wear and tear of vehicles, in traveling over bad roads will more than offset the extra tax, besides, it should be remembered that practically all of the money expended by Mason county for road purposes is left in the county and is practically all used in hiring men and teams, and in addition, you will get better roads.

"To date thirty-five (35) counties have voted the tax and already some of the counties that have voted the tax this season have a great deal better roads than you have in Mason county.

"It is believed by a great many financiers that a direct tax is preferable to a bond issue. In the first place, if a bond issue was voted, it would be necessary before the bonds were retired, to pay a great deal of interest, and all money which went to pay interest would not be expended on roads. With the direct tax, every cent collected goes for road purposes and not for paying interest and not for retiring bonds.

"Everybody is usually in favor of 'Good Roads' but a great many people seem to think that roads can be built without money but such is not the case. If the people want good roads they will have to supply the funds for construction and maintenance, besides it is a patriotic duty to start road work at this time in order to give employment to the boys who have returned or will shortly return from the army. The United States Secretary of Labor has on numerous occasions, requested town, county and state authorities to start road work at once, in order that the soldiers may be given work.

"It is absolutely impossible for the county authorities of Mason county to do very much road work with the small amount of money at their disposal and unless more money is forthcoming, it may be necessary for the court to warn in the hands and work the roads under the old military system. I believe the law allows a court to compel all male citizens of the county between the ages of 18 and 45, except clergymen, to work the roads, free of charge, for six (6) days in a year, however, I do not believe that such a law applies to incorporated towns.

"I believe that the people of Mason county are as progressive as they are in any county and I appeal to you to vote for the tax and build good roads, 'NOT EVENTUALLY BUT NOW.'

"RODMAN WILEY,
"Commissioner of Public Roads."

ACTING COUNTY JUDGE

County Judge H. P. Funnell is in Cincinnati today on business and during his absence Squire Fred W. Bauer is acting County Judge.

COLORED HIGH SCHOOL COMMENCEMENT WEDNESDAY

Nine Graduates of the Maysville Colored High School Will Receive Diplomas at Washington Theater Wednesday Evening.

GREAT FOR EMERGENCIES

San Cura Ointment Should Be In Every Home.

There never was known a more reliable ointment than San Cura. In most every case where it has been used it has created astonishment. It drew a needle out of the foot of the daughter of Mrs. James Hitchcock, of Centerville, Pa., after the doctor had used his lance and failed.

It has great healing and antiseptic value. It possesses so much healing virtue that it is guaranteed by J. Jas. Wood & Son to relieve any kind of piles, eczema, tetter, salt rheum, boils, carbuncles, ulcers, all kinds of chronic sores, chilblains, and chapped hands, or money back.

It's a mighty handy remedy to have in the house in emergencies for bruises, burns, cuts or scalds, because it relieves the pain and is antiseptic and healing. It's a medicine chest in itself—a little family physician that is ever in demand. 30c, 60c and \$1.20 a jar at J. Jas. Wood & Son.

BEST SKIN SOAP

Is San Cura Soap, because of its great antiseptic and healing virtues. Use it regularly, and it will make the skin soft and velvety; will remove pimples and blackheads. It's the real soap for babies' tender skin, which mothers of infants should remember. 25 cents a cake at J. Jas. Wood & Son.

If your druggist does not have it send to Thompson Medical Co., Titusville, Pa.

GETTING READY FOR RATTLESNAKE CAMP

It is now getting the season of the year when Col. Harry L. Walsh and his company will have to go to Rattlesnake Camp grounds for a couple of weeks camp prior to the beginning of camp meeting to kill off all the rattlesnakes on the grounds before the arrival of the worshippers. Arrangements are being made to take along several new recruits this season.

DREDGE BOATS LEAVES HARBOR

The dredge boat Pelican, property of the T. A. Gillespie Company, contractors, which has been in the local harbor for several weeks, was moved up stream on its way to Pittsburgh this afternoon by the steam tow Scout and Warwick. The contractors lost a government contract they had in this district.

Mr. and Mrs. Leon Merz after a two weeks' visit with relatives in this city, left Monday for their home in Philadelphia.
